

# 2018 Campaign Goals

1

Ensure the New Mexico Public Education Department completes annual updates to the New Mexico Educator Equity Plan and makes those updates available to the public.

2

Pass legislation to create an additional pathway to allow highly effective & exemplary teachers to earn a Level III license without a master's degree.

3

Ensure the New Mexico Public Education Department releases Teacher Prep Report Cards for all New Mexico teacher preparation programs and establishes the process in administrative rule prior to the end of the current administration.

4

Strengthen New Mexico authorizing practices to ensure charter schools are held accountable to clear, objective and measurable performance outcomes to earn the right to continue serving students.
